

## BRENT

Here is summary of regional representations received in relation to London Borough of Brent's bid for a regional casino. The consultation period was between 24 May 2006 and 28 June 2006; the summary shows representations received up until 8 July 2006.

### Objections

- We received one letter of representation opposing Brent's super casino bid. This objection was based on environmental concerns of increased road congestion and pollution, a potential increase in organised crime and the perceived vulnerability of the local population – described as "relatively deprived" – to problem gambling.<sup>1</sup>
