Dear Angela

Thank you for your email and attachments which have arrived safely. I look forward to receiving the paper copies which I'll add to the file so that they are available to the adviser and all those who deal with the case.

Likewise, please contact me if you have any queries.

Best regards,
Louise

Louise,

Further to your letter of 4 April 2008, which was sent to my colleague Mathew Jones, please find attached additional information to assist in your consideration of the formal application for the listing of Slough Town Hall. This information is provided on behalf of our Client, Slough Borough Council.

The attached comprises: -

- A covering letter setting out additional information regarding the Town Hall building; and
- A Supplementary Statement prepared by Anthony Walker of DLG Architects.

I would be grateful if you could acknowledge receipt of the attached information in due course. Hard copies of both the attached letter and Supplementary Statement have been sent to you in this evening's post.

Please do not hesitate to contact Mathew Jones (0121 237 4409) if you require any further information.

Regards

Angela Kettle
